

Fall 2010 Mastery Guide Classes at It's A Stitch

General Information

Sewing machine guide classes are a very important part of what we do at It's A Stitch. If you have purchased a machine from us, we know that you have an easy to use, quality product, and we want you to be able to feel comfortable using all of the features now available to you. Please check your schedule and call us as soon as possible to let us know which guide class sessions you will be able to attend and to receive your supply list. Advance reservations are required! Refresher classes may be taken at any time; however, those who haven't taken the class previously will be given priority.

If the guide class for your machine consists of more than one session, you may take the additional sessions in any order AFTER you have completed session 1. Also, if your class series includes 2A and 2B, they must be taken in order. Bernina 8 series students must complete both session 1 and 2 before taking the remaining sessions. You must sign up for each class session individually. Pick the sessions that work for your schedule now, and take those you missed at a later time. There is a \$50.00 per hour fee, payable at sign up, if your machine was not purchased from IAS.
